RESORTS

Users and, in general, those persons who intend to establish a hyperlink between their website and the OWNER's website (hereinafter, the "Hyperlink") must comply with the following conditions:

- No false, inaccurate, or misleading statements or indications will be made about the OWNER's website, its directors, its employees, the web pages of the Website, and/or the services provided by it.
- It will not be stated or implied that the OWNER has authorized the Hyperlink or has supervised or assumed in any way the services offered or made available on the website where the Hyperlink is established.

Personal information and data that we collect

Personal data refers to any information relating to an identified or identifiable natural person. An identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifying factor such as a name, an identification number, location data, an online identifier, or to one or more factors specific to the physical, mental, economic, cultural, academic, or social identity of that natural person. The owner collects, stores, and processes information (and in particular personal data) derived from the provision of the service. Specifically, the information collected and processed is:

Information from our clients necessary for the provision of our accommodation and spa services.

The data they provide may include: identification and contact information, academic and professional information, and financial and banking information, necessary for the provision, management and billing of our services and for our operational and business purposes.

As a consequence of providing these services, and for their proper execution, the Owner may have access to personal information and data contained in the files of our client companies. In these cases, the Owner will assume the role of Data Processor, undertaking to maintain the confidentiality and security of said data, as well as to process the data exclusively for the purposes defined by the Data Controller (client). In these cases, and in compliance with data protection regulations, the Owner will include, in the corresponding contracts with our clients, employees, and suppliers, the necessary clauses to ensure compliance with the requirements of the regulations.

On the other hand, and in any case with the prior request and express authorization of the interested party, THE OWNER may use the contact details of our clients or other users (with their prior request) to send communications regarding our products or services, as well as any other information that we believe may be of interest to them. Furthermore, through our website, we offer various

The website on which the hyperlink is established shall not contain any information or content that is illegal, contrary to generally accepted morals and good customs and public order, nor shall it contain any content that infringes upon the rights of third parties. The owner shall not be responsible for the use or content of websites linked to this website. The establishment of a hyperlink does not imply in any way the existence of a relationship between the owner and the owner of the website on which it is established, nor the owner's acceptance or approval of its content or services.

Forms are available through which users can contact us or request specific information regarding our products or services. In all cases, the necessary contact and identification data will be requested to process your request. Similarly, various events may be advertised through the website. Internally, the OWNER collects, stores, and processes the personal data of its employees and suppliers, necessary to maintain the employment relationship with them, and, in particular, to fulfill purposes such as payroll processing, personnel management, occupational risk prevention, compliance with tax and social security obligations, training and professional development, scheduling and vacation management, etc. For these purposes, the OWNER will collect, throughout the employment relationship, all necessary personal data (identification and contact information, academic and professional data, banking and billing information), which may include data that, by its nature, requires a special level of protection (such as those related to union membership or employee health), only within the limits authorized by applicable law. This processing also includes personal data obtained through resumes or job applications submitted via the corresponding forms on our website or in person. Generally, this information (which may include, primarily, identification and contact details, as well as academic and professional information) is retained only for as long as necessary to process your application. In addition, our servers, logs, and other technologies may automatically collect certain information to help us administer, protect, and improve our services, analyze their use, and enhance the user experience. This may include cookies used while users browse our web services. The processing of this data will also be subject to the aforementioned considerations regarding the protection of personal data.

We protect personal information and data

The OWNER is highly committed to the security of the information it handles and to complying with applicable legal requirements. In this regard, to ensure the confidentiality, availability, and integrity of the information it handles (and, in particular, personal data), as well as the systems, networks, applications, and databases used for its processing at La Marina Sunlife S.L., Devesa Gardens S.A.U., Camping Los Naranjos SL, and Viviana Deckx Ceulemans:

We conduct regular risk assessments related to information security and the protection of personal data, analyzing our risk exposure and defining action plans accordingly. We have established a mandatory Information Security and Data Protection Policy for all parties involved in information processing.

Procedures have been developed for Access Control, Security of systems and communications, Incident and Security Violation Management, and Information Backup.

Awareness and training initiatives have been developed to ensure compliance with these policies and procedures. Furthermore, we require all employees, collaborators, service providers, and any other individuals or entities that may have access to our information to commit to maintaining the confidentiality of the data and information they access. Legal action may be taken in the event of a breach of these commitments.

In the event that, as a user or affected party, you detect any security incident or breach, or any vulnerability that may be affected, THE OWNER makes available to those affected the address: calidad@samay.com through which you can make the communications that are considered appropriate or necessary for the improvement of the security of our information and systems.

Privacy policy and personal data

Through this Privacy and Data Protection Policy, the OWNER intends to demonstrate its commitment to complying with the regulations and legislation governing the processing of information necessary for the provision of its services and the use of Information and Communication Technologies. In particular, the OWNER expresses its commitment to complying with regulations aimed at protecting personal data. In this regard, the following are considered as the main frame of reference:

- Regulation (EU) 20016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (GDPR)
- Organic Law on Data Protection (LOPD)
- Law 34/2002 of 11 July on Information Society Services and Electronic Commerce (LSSI)

Anonymous browsing through web pages

The Website only collects and retains the following information about visitors to our site: The domain name of the Internet Service Provider (ISP) and/or IP address that grants them access to the network. This allows us to compile statistics on the countries and servers that most frequently visit our website. The date and time of access to our website. This allows us to determine peak traffic times and make the necessary adjustments to prevent server overload during these periods.

- The internet address from which the link to our website originated. This data allows us to determine the effectiveness of the various banners and links pointing to our server, enabling us to promote those that deliver the best results.
- The number of daily visitors to each section. This allows us to identify the most successful areas and enhance their content, providing users with a more satisfying experience. All information collected is completely anonymous and can never be associated with a specific, identifiable user.

Browsing with cookies

Our website uses cookies, small data files that are generated on the user's computer and allow us to obtain the following information:

- The date and time of the user's last visit to our website.
- Security elements involved in controlling access to restricted areas.

Acceptance of the cookie policy

Marina Sunlife S.L., Devesa Gardens S.L.U., Camping Los Naranjos SL, and Viviana Deckx Ceulemans display information about their Cookie Policy at the bottom of the website and in any pop-up tabs at the beginning of each session so that you are aware of it. Users have the option to prevent the generation of cookies by selecting the corresponding option in their browser settings. However, the company warns that disabling cookies may prevent the website from functioning correctly. Cookie Acceptance: This notice will not be displayed again when accessing any page of the portal during this session.

Compliance with the aforementioned data protection regulations

In accordance with current data protection regulations, as well as regulations concerning information society services and electronic commerce, the user agrees that the personal data provided at the time of booking will be incorporated into files owned by the OWNER, for the following purposes:

- To facilitate the provision of the requested services and the correct identification of users requesting personalized services on "samay.com".
- To conduct statistical studies on customer satisfaction among those who have made bookings on "lamarinaresort.com", allowing for improvements to the services provided.
- To manage basic administrative tasks.

To keep you informed, either by email or by any other means, of news and services related to the campsite where you have stayed, if you have so requested on the registration form. THE OWNER undertakes to comply with its obligation to keep personal data secret and its duty to treat it confidentially, and assumes, for these purposes, the necessary technical, organizational and security measures to prevent its alteration, loss, unauthorized processing or access, in accordance with the provisions of the General Data Protection Regulation, and other applicable legislation.

Any registered user may at any time exercise the following rights regarding the processing of their personal data:

Right of access. Upon request, you have the right to obtain information about the personal data concerning you processed by us, to the extent defined in Article 15 GDPR. You can send your request by post or email to the addresses below. Right to rectification. You have the right to require us to rectify any inaccurate personal data concerning you without undue delay (Article 16 GDPR). To do so, please contact us at the address below. Right to erasure. Where the legal grounds defined in Article 17 GDPR apply, you have the right to the immediate erasure ("right to be forgotten") of personal data concerning you. These legal grounds include: the personal data are no longer necessary for the purposes for which they were processed, or you withdraw your consent and there are no other legal grounds for processing. The data subject objects to the processing (and there are no legitimate grounds for the processing – this does not apply to objection to processing for direct marketing purposes). To exercise your above right, please contact us at the address below. Right to restriction of processing. If the criteria defined in Article 18 GDPR are met, you have the right to restriction of processing as set out in that article of the GDPR. Under this article, you may request restriction of processing, in particular if the processing is unlawful and you oppose the erasure of your personal data and request the restriction of its use instead, or if you have objected to processing pursuant to Article 21(1) GDPR, provided that our legitimate interest does not override your legitimate interest. To exercise your above right, please contact us at the address below. Right to data portability. You may have the right to data portability as defined in Article 20 of the GDPR. This means you have the right to receive the personal data concerning you that you have provided to us, in a structured, commonly used, and machine-readable format, and you have the right to have that data transmitted to another controller, such as another service provider. The prerequisite for this right is that the processing is based on consent or a prior legal basis.

contract and is carried out using automated means. To exercise your above right, please contact us at the address below. Right to object. You have the right to object at any time, pursuant to Article 21 GDPR, to the processing of personal data concerning you, based on point (e) or (f) of Article 6(1) GDPR, on grounds relating to your particular situation. We will cease processing your personal data unless we can demonstrate compelling legitimate grounds for the processing which override your interests, rights and freedoms, or the processing is necessary for the establishment, exercise or defense of legal claims. To exercise your above right, please contact us at the address below. Right to lodge a complaint with a supervisory authority. If you consider that the processing of your personal data is unlawful or prohibited, you have the right to lodge a complaint with the Spanish Data Protection Agency if you become aware of or consider that an event may constitute a breach of applicable data protection law. You may, at any time, request access to your personal data, its rectification or erasure, as well as request the restriction of its processing and the portability of your data when the grounds or circumstances provided for in the applicable regulations apply. For these purposes, you may use the following channels, always attaching a photocopy of your national identity document or any other document that allows you to prove your identity. Information to be transferred from the archives of La Marina Sunlife S.L, Viviana Deckx Ceulemans, Camping Los Naranjos SL and Devesa Gardens SLU

As a general rule, La Marina Sunlife S.L., Viviana Deckx Ceulemans, Camping Los Naranjos SL, and Devesa Gardens SLU only share personal data with third parties, or grant them access to it, when necessary to provide the requested service properly, to comply with legal, tax, and corporate obligations, or to carry out certain subcontracted organizational processes or activities (Access to Data on Behalf of Third Parties). Specifically, we communicate and exchange information with banks, based on the services provided, to manage collections and invoicing, payments to service providers, or to comply with legal, tax, and public duty requirements. Similarly, in compliance with these public duties, we communicate with other government agencies, such as the Social Security Administration or the Tax Authority. On the other hand, at La Marina Sunlife S.L, Viviana Deckx Ceulemans, Camping Los Narnajos SL and Devesa Gardens SLU we establish agreements, alliances or collaborations with other entities that we

They provide certain services or collaborate in the development of certain activities, and may have access to the personal data we manage. This is the case, for example, with tax and labor consultancies, which are granted access to our employees' personal data for payroll management, compliance with public obligations, and occupational risk prevention. In addition, we use certain subcontracted services to support the provision and development of our services. This is primarily the case with external hosting and web hosting services. The corresponding external data processing agreements have been signed for the provision of these services, ensuring compliance with regulatory requirements. La Marina Sunlife S.L. assures that no international data transfers are required.

Information retention period

As a general rule, at LaMarina Sunlife S.L., Camping Viviana Deckx Ceulemans, Camping Los Naranjos SL, and Devesa Gardens SLU, we only retain personal information and data for as long as necessary to fulfill the purpose for which the data was obtained, as well as to address any potential claims or liabilities arising from data processing. Generally, once the service has ended, the data is blocked, and no further processing is carried out beyond keeping it available to [the relevant parties].

Public authorities, judges, and courts may retain personal data to address any potential liabilities arising from the processing, for the duration of the applicable statute of limitations, after which the data must be deleted. Furthermore, to determine data retention periods, La Marina Sunlife S.L. considers local laws, contractual obligations, and the expectations and requirements of our clients. When we no longer need personal information, we securely delete or destroy it.

Applicable law and jurisdiction

The resolution of any conflicts, disputes, or claims that may arise from the web services referred to in this privacy policy will be governed by Spanish law. Marina Sunlife S.L., Viviana Deckx Ceulemans, Camping los Naranjos SL, and Devesa Gardens SLU will submit to the jurisdiction of the courts and tribunals of the competent city, unless otherwise agreed with the consumer/user.
